ECO BYTES

March 2016

UPDATES FROM CET

Congratulations to [Heather Salvatore](#), the winner of our fifth Reuse Rockstar competition! Thanks to everyone who sent in their projects! We had a record number of submissions this time around, and hope to see more of your great upcycling work for our next competition!

Go Green for St. Patrick's Day with a no-cost [Home Energy Assessment](#) through the Mass Save® program! You can receive LED bulbs, faucet aerators, shower-heads, programmable thermostats, energy-saving power-strip & more- all at no-cost! Sign up today by calling 1-866-527-7283!

March 13th, so don't wait!

Question of the month: With one being not at all difficult and 10 being very difficult, how difficult do you find recycling at home?

lowest [1](#) [2](#) [3](#) [4](#) [5](#) [6](#) [7](#) [8](#) [9](#) [10](#) highest

Sorry, voting is closed.

We'll announce the results in our April issue!

Check out this [RecyclingWorks](#) case study on Massachusetts College of Art's waste diversion program! The Center for EcoTechnology runs RecyclingWorks for the Mass. Department of Environmental Protection.

CORYANNE

EcoFellow Coryanne Mansell has discovered a love of food waste diversion during her Fellowship. [Find out what she's working on!](#)

BAG BAN

Northampton has joined communities across Massachusetts in banning single-use plastic bags. [Learn more about their ban!](#)

BRITTNEY

EcoFellow Brittney Topel is passionate about sustainability, and [has made green building a major focus](#) of her experience thus far!

THERMS

In 2015, our green business experts installed water-saving equipment that saved businesses \$2,620 on average. [Find out how!](#)

CLAIRE

EcoFellow Claire Cuozzo is an educator at heart. [Find out how she applies her passion](#) to her work, and what she's up to this Spring!

EXPIRED?

What do those "best by" labels on food really mean? [The Harvard Food Law & Policy Clinic's short film "EXPIRED?"](#) explains!

Getting a home energy assessment is a great way to make your home more energy efficient, warm and comfortable this winter!
