UPDATES FROM CET

Now is a great time to stop into [EcoBuilding Bargains!](#) In addition to the usual great bargains, this Saturday we are having an amazing sale on tables- nearly every table in the store will be priced at \$20!

Keep an eye out- [CET's EcoFellows](#) are visiting communities all over western Massachusetts, including yours! Find out when and where you can meet them on [CET's Events page!](#)

Speaking of our EcoFellows, they recently appeared on WWLP's [Mass Appeal](#) to discuss [some ways to have a greener Labor Day party](#). From all of us here at CET, have a happy Labor Day!

REUSE ROCKSTARS

Congratulations to Bob Tacelli, winner of the Summer 2015 ReUse Rockstars Competition! Check out his winning entries [here](#).

ECOFELLOW UPDATE

What have our new EcoFellows been up to since they joined CET? Good question- [let's find out!](#)

FOOD DONATION

Harvard's Food Law and Policy Clinic has released [three legal fact sheets](#) to promote the reduction of food waste through donation.

PEAK OF SOLAR

Jiminy Peak Mountain Resort has [begun construction of a 2.3 megawatt solar array](#), the largest community shared solar project of its kind in the Northeast!

STADIUM RECYCLING

A recent survey found that nearly 1/3 of Americans would be more likely to go to games or concerts if they knew that the stadium's waste would be recycled. [Learn more](#) in this article from RecyclingWorks!

HAZARDOUS WASTE

CET recently conducted a hazardous household waste collection in Stockbridge. Click to [learn more about hazardous waste](#) and how we keep it out of the waste stream!
