

Organic Material: Collected in green compostable bags and includes paper towels from bathrooms and food scraps and compostable serveware from breakroom's and dining areas. Place bags in blue carts with green lids located outside.

Recycling: Collected in blue bags and includes empty cans, bottles, and metal, glass, and plastic containers. Empty contents of bag in recycling dumpsters outside and reuse or dispose of bag in the trash.

Trash: Collected in black bags and includes rubber gloves, snack wrappers, straws, and plastic packaging. Place bags in trash compactors or trash dumpsters outside.
